Wordle in the Classroom

Look at the Wordle we made for the Technology Institute.

1. Select any five words that you want to work with and write the words in the box below.
2. In the Summary Box, jot down anything about the words…why you chose them, what they mean to you, have you heard it often or not at all, etc.

1.	2.	3.	4.	5.
Summary Box				

3. Now, turn to your partner and discuss each other's words. How are your choices of words similar to each other?
