To Sweet Home Staff and Community,

The Sweet Home Board of Education is pleased to announce our selection of the new Superintendent of Schools.

After seeking input from several stakeholder groups including teachers, administrators, students, community and civic leaders, it became evident that the choice for Superintendent was in our own backyard!

With pleasure we name Anthony J. Day the new Superintendent of Schools. Mr. Day will assume the responsibilities of Superintendent on July 1, 2010 following the outstanding leadership of Mr. Geoffrey Hicks who leaves us to become Superintendent of Arlington Schools in Poughkeepsie, New York.

The Board of Education would like to thank Mr. Donald Ogilvie District Superintendent of Erie 1 BOCES who facilitated the search process for us. The input we received from Mr. Ogilvie and the stakeholder groups was very helpful and important.

Mr. Day is currently our Assistant Superintendent for Instruction and has two children attending our schools. We are extremely enthusiastic about our choice and look forward to a long-term relationship with Mr. Day.

The Sweet Home Central School District Board of Education,

Dr. Carol A. Nowak, President
